WOW! WOW! WOW! That's all I can say about Ramon and Jack. Their spirits are so refreshing, positive and magnetic. They are a dynamic team. Words cannot express our gratitude for their generosity. They are men of integrity and their word is golden. Atlanta Office Liquidators donated over \$20,000 dollars in office equipment to our organization. The joy of knowing that there are still people and companies such as Atlanta Office Liquidators that believe in giving back to the community through supporting non-profit organizations who are making a difference in the lives of people makes my heart sing.

Club Xhell youth empowerment organizations mission is to embrace potential, impact lives and empower all to achieve the imaginable. The impact of your act of kindness, support and generous "in-kind donation" of office furniture is far reaching beyond our greatest expectations.

Ramon and Jack, may your business continue to prosper and you have good success in every aspect of your lives. May the blessings and divine protection of God be upon you and your family now and forevermore.
